“ To all the family of andee panda .Our thoughts and prayers are with you in this time of deep sorrow. May the peace of God be with you. We are deeply saddened and there are no words that we can say to help you in this worst of bad times. We don't always know why things like this happen, we can only be sure that in Gods wisdom this happened for a much higher reason than we can possibly comprehend. May God bless Andrea and all who loved her. Love you Andrea
