“ My thoughts and prayers go out to Ann's family. She was loved by many, her dedication to friends, family-especially George-and church were an inspiration. I served with her on Session, two Pastor Nominating Committees along with a few others, and with George on Deacons. They would call me and we'd talk for hours about ways to help at church. Ann was one of those people who wouldn't say a word, would just pick up the slack and do whatever was needed. I know George would give you the shirt off his back, Ann was the one who had to figure out how to pay for it! He would invite people for Thanksgiving who had no one else to celebrate it with-Ann would smile roll her eyes and set another place at the table. They were an awesome couple, they were mentors and friends. One of these days we'll be neighbors as George pointed out-they bought the cemetery plot in front of ours. Love and miss you both.
