“ Anne....What can you really say that hasn't been already said. She was a wonderful person and loving grandma to all. I still remember the first day that I met Anne, so easy going and so easy to talk to. You could talk to Anne about pretty much anything. Years later, I remember dropping off my daughter Courtney for the first time. She absolutley loved it. That is one of the things that Courtney always did, was talk about what Grandma Anne did with us and what we did there. I am so glad that Courtney had the opportunity to meet such a wonderful person. we love and miss you so much. You will always have a special place in my heart. Love you.

“ There will never be another "Grandma Anne"...ever! We will miss her terribly and are thankful to have been part of her world these last 7 years. Nathan and Clara will never forget her and on occasion we have already had requests to drive by Grandma Anne's house...just to check to be sure everything is okay. Godspeed, Anne! WE will see you again someday!Love, The Zook's

“ Anne was a wonderful sister and sister-in-law. I will always remember getting Joe to watch the kids when they were little while Louie, Anne, Don and I went to K-Mart to see what the “Blue Light” specials were. We shared many meals, memories and laughs and we will miss her greatly.

“ Gramma, I will never forget the jamborees with you and Ryan, long talks about boys we would have together, and show and tell of the newest tattoos and piercings. You were the easiest person to talk with and gossip with. I will never forget the summer days at your house, spin the bottle in the play house :-) and of course the changing of all the babies diapers. There will always be a place in my heart for you and I will never forget you. I love you always! Love, Me

“ We only knew her as ""Angel Annie"" because she watched over so many. Bless you Annie Dye.

“ I loved you as a child and I'll love you always. Distance doesn't make the loss any less difficult. Heaven must have needed an angel to love and watch over all the little ones that leave the earth too early. Thank you for your time here with us! We will certainly miss that giggle.

“ Grandma Anne I loved all of the special memories we all shared with you. I loved how you used to blare the music channel and sing to it. There are so many little things you did for or with us that was so fun and special. Thank you for always being there for us and comforting us when we were sick or sad. There is not a big enough computer to write all the things that you did or said with us that we will never forget and that will always be in my heart. My favorite was when we would go to benifits just me and you or when we would laugh together and choke on our food, we would have never stopped if we didnt sit sepretly and didnt look at eachother
