“ Over the years Mom has been not only my mother, but one of my best friends and confidants. She was my babysitter for her grandchildren. She made the most incredible hats and mittens, scarfs and sweaters for my kids. I thank god she is no longer suffering, but she will be missed so much. Mom, you were one of the most beautiful people I know, strict as a parent, and we all know you were the one to raise us kids. I will always LOVE you and forever miss you...Judi

*“ Mom, the talks we had these last months have been so precious. I never realized the wisdom, intellect, philosophy and love that was as close as the touch of your hand. Your determination, strength, and life long attitude of "DON'T QUIT" has built this same character in me, my example through life. You have lived it and it has given me the character I have needed for life. You did what my father could never do! Our spiritual talks have assured me of your new home, (without a doubt). I miss you. I will miss you, (for now). I will see you again. My love, your son.*

“ Aunt Ann I will miss you somuch. God saw you were getting tired, and a cure was not to be, so he put his arms around you and whispered, "Come to me". A golden heart stopped beating hard working hands at rest. God broke our hearts to prove to us. He only takes the best. I love you. Johanna
