“ Robin,
Our hearts are breaking for you and your family. A mom is such a special person in our lives and the pain of her passing is so intense. Just know that she will live on thru your memories and in your heart forever. May your family and friends offer the strength and support you need at this very difficult time. You are in our prayers!

“ To Doyle, Phyllis, Jimmy, Robin, Jackie, Ronnie,
Am so sorry to hear about your mom\'s passing, but we all know that she is in a better place now and is suffering no more. She has earned her wings and I will miss her myself. Our families use to have wonderful times together and I remember a lot of them like it was yesterday. She is now with Patsy and her parents as well as Buddy. I know they are all looking down on you and waiting for us all to join them and oh what a day that will be. She was a wonderful mom to all of you and was always there for each one of you. I was so fortunate to know Fern and have her like a family member as well as all of you. May God continue to console you at this time and remember that soon we all will see each other again. Love you all. Keep me posted on Phyllis. I know she\'s in the hospital also. Doyle, you take care of yourself and know that I always remember you coming into the office and being a jokester as always. I looked forward to seeing you. Love you all, my thoughts and prayers are with you.
