“ *Arthur Thoma was my uncle. He was married to my father's sister Helen. We loved Uncle Art and I told him a few years ago he and Uncle Frank were my favorite Uncles. That made him smile. While growing up in Fulton Aunt Helen and Uncle Art would come to my parents house for every holiday. I will always remember those times. I remember they always brought pussy willows for my mom. I will remember that they both had the biggest hearts when it came to taking care of the stray cats in their neighborhood. Uncle Art, you will be missed.Love, Your neice, Janice*
