“ *I will always remember Bernie for the way he always tried to maintain his independence. He was also a very sensitive man that cared very deeply for his beloved wife Dorothy. I will always picture him in his scooter with his headset on listening to every kind of music imaginable.*

“ *To the Donegan Family~Just a quick note to let you know that you're in my thought & prayers throughout this difficult time. I was recently going through old family photographs, after my Mom passed, and came across one of Bonnie and me at the old farm. It brought back some nice memories. Pam Mellor*
