“ *The family of Betty Polly:*

Fondly recall your most beloved mother, grandmother, great grandmother and sister. From when we were neighbors during the 1960's, when your newspaper delivery boy.

Your feelings and sense of loss must be overwhelming.

May your period of bereavement and grief be, mercifully, short.

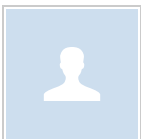

God bless you all.

“ *I remember Mrs. Polly well from way back in my childhood. We played many games of Kick the Can right out in front of their house on Snell Terrace. I remember one of the boys got stung by a bee on his tongue and Mrs. Polly was right there with a Popsicle to ease his suffering.*

Praying for you all during this difficult time.
