“ *I remember first meeting Betty when her daughter Molly babysat my son. She was never without a smile or a kind word for everyone she met. Her smile was endearing and her laugh equally so. My sympathies and prayers are with her family whom she loved so much. The brilliance of the world dimmed a bit when she left us. It will return as the memories she left us warm our hearts again and again.*

“ Greg, I was so saddened to read about Bettyann. I have such fond memories of her. She was one of my first employees at CGH as an EKG tech. She always asked to help, wanted to do new things, and would do anything I asked of her. What a great employee. Then she went on and got her RN and I was very proud of her. I will always remember her bright smile, sunny disposition and caring for others. You and your family will be remembered in my prayers. May God Bless her and her family. Marcia
