“ To the Skellan clan
We were all so sorry to hear of the loss of your mother. We will always remember her as a beautiful woman with a kind heart. How could we ever forget the many many Memorial day parades. Yes we still go to the 5 minute parade every year and yes it is still the best! (double lol) Although some of us are scattered accross the country and a lake effect strom is keeping us from being with you today our prayers, thoughts and love are with you all. Cherish the memories and laugh till it hurts! God bless you all.

“ Here's to Buelah, still feisty and funny when we met her, then well into her 80s, and to our longtime friends Bo and Susan, Ed and Linda. Don't mourn her, smile for her. She had a good long life. (And Bo, do us a favor. Send us your E-mail address.)

“ I worked for your dad in the 60's and got to know and like your mom at that time. I always had great respect for both of them. I normally would call her in June around your father's birthday. Both Jack and I send our sympathy to your family and I am sure you are celebrating Beulah's long and productive life. Jean

“ Though many years and miles have separated us, my family and I always recall many fond memories of Mrs. Skellan and her family being such great neighbors to me and mine. She was a wonderful neighbor and friend to me and we always enjoyed visiting on her front porch or over the back fence.
We had a lot in common back then raising our children. Linda and Susan used to baby sit and Eddie was a frequent playmate at our house. Rob was in Jr. High then.
My sincere condolences to all of you. A nice lady lived a long life and may she rest now in peace.
Sincerely,
Helen McLaughlin

“ Bob & Ed,
You probably do not remember me, I was a child neighbor of yours in the 195-56 timeframe. Your mom and I had a special relationship. I was 5 years old and used to knock on her side door and ask if she had any "eats" as we had none in our home (not true). She used to give me a doughnut. I remember when Bob used to come and go in his car and play tennis. Good memories. Please accept my sincere condolences and sympathy. God bless you all.

“ To Linda, Bob, Sue and Eddie - our deepest sympathy in losing your Mom. We remember her with fond memories, her deep laugh and unabridged kindness. Our Moms shared much and helped make our neighborhood a "friendlyhood".
