“ *There are no words to comfort the loss of Tim. He left us all profound lessons about life. I will remember: Get up and get dressed everyday and do something for someone else. When logic said lay down and rest - he continued to the very end doing for others. I will take Dr. Seuss's advise ""Don't cry because it (Tim's life) is over. Smile because it happened.*

“ Dearest Hobie Tech; I wish I knew what to say, but there are no words. Yes you are in a better place, but it still sucks that you are gone. The last time I saw you (at your benefit) I asked how you were doing and your words "just trying to stay ahead of the grim reaper". You never lost your sense of humor, even though I know you weren't feeling that well. I will miss your "hey giggles" greetings. Rest in peace Tim.
