“ *Growing up with Stan, I spent alot of time in the Satlawa house, between the sleeping over or just hanging out. To this day I can still hear her telling me to "Sit down and eat. I don't care if you just ate before you came over, you didn't eat my cooking yet". "Ma" was a sweet lady and will be both missed and thought of by me often. I wish to express my regret to Stan and the rest of her family.*
