“ Carol was one of the pillars of the church. She was devoted to Jesus and a tireless worker. She loved God and loved people. She always had an eye out for the poor, the sick, the helpless. It was a pleasure to work with her.

“ I remember my dad's Aunt Carol very distinctly. I remember her as a wonderful, cheerful and energetic lady with a great laugh! I could see the similarities between her and my grandmother, Lee. They are together now with my Dad, they are all loved so much. My thoughts and prayers are with all of you who I haven't seen in so long. Big hugs and kisses to you!

Love,

Michelle

“ Grandma Carol, You have always been a part of my life and you will always continue to be one. The time you spent with me when I was younger I will remember forever and is a big part of who I am. It is hard to believe all of the family members I have which come directly from you. I guess you can say it is your legacy and it will go on forever. I will miss you and remember you forever.

“ To Uncle Fred, Tina, Cindy, Steven and John and all the grandkids.

I share your grief over the loss of my favorite dearest Aunt - who was always there for me - whenever I called she always reached out to me. I have so many beautiful memories of her from when I was very young to last Thanksgiving when she was so perky and pretty. As I've said we can take comfort in the fact that she will be with us always.

Rest in peace beloved Aunt Carol.

Love to all, Mary Anne

“ Grandma- I will miss you so much during the days to come. I know you are in a much better place, and I will forever cherish the time that I was privledged to spend with you. You were so much more than a grandmother to all of your grandchildren; you were our friend, our teacher, and someone we all looked up to. There was never a dull moment when we were around you, and you made us smile and laugh more than anyone else could. I hope that my future children receive many of the characteristics that their great grandmother Carol possessed. I am so glad you were able to come to our wedding and share in our day. I will always keep a special place in my heart for you.
