“ Caron was a friend to many people. As time goes on people lose contact with friends of the past or friends of the family. It is events like this that we will all encounter that remind us of what was in the past is never really forgotten. She will be missed by many.

“ Sue I'm so very sorry for the loss of Caron. I was shocked to hear that she had passed away. She had become a close friend to my mother and myself, as we shared so many activities together at Loretto. We will miss her dearly.

“ Our thoughts are with you. The Love Of A Sister by Begary If love could change the way things are you would live forever and go so far You'd know that I am always there That I'll always love you, I'll always care But love can't change the way things are Or stop your pain or mend your scars I hope that love can let you know Not to give up or ever let go Even when you're not in sight You're in my thoughts day and night Love is what will keep you there And make me thankful for all we share

“ *I don't know if you remember me but Caron and I were good friends at one time. We met at Kemper Insurance many years ago. We went to hockey games and just had a lot of fun. I thought of her often although I haven't seen her in 10 years. I just wanted to send my condolences to the family.*

“ *The memories are countless and Caron will be greatly missed. I think immediately to the time when she took over the position of chaplain in the Nedrow Women's Auxiliary and how nervous she was...always worried that she wouldn't say quite the right thing at the right time. Now it's my turn...because there are so many kind things to be said about her. She was giving of her love and her time. She was always the extra chair at Gramma Ruth's dinner table and the thoughtful friend who always had so many nice things to say. She was always there to water the flowers, feed the animals or bring in the mail for you if you weren't around. She was there for every birthday, christening, wedding and family gathering. She was generous with her time but spread herself way too thin to stay at any one event for too long. Life got busy when i started my own family and now I look back at the nights spent on grandma's porch with fond memories of all the stories of the nieces and nephews and altho i've only met a few of you I can tell you just how much she loved each and every one of you. We were all blessed to have her in our lives. Cherish the memories...they will get you through the coming days and months. My thoughts and prayers are with all of you.*
