Tribute Wall

“ *Mrs. Pietrominca is one of the best childhood memories I have. Cindy and I have been friends for over 45 years. I loved going to her home because of the love and family I felt there. I know she is in Heaven and rejoicing with Jesus. What a wonderful Easter she will have! After all these years, she still asked me if I had all "my baby dolls". Cindy.. I am sure your Mom and mine are catching up about their two girls. My love and prayers to the family,Lillian*

“ *My Nona will always be a very special lady. I always knew that she loved me and she knew that it was reciprocated. My earliest memory of her was when she carried me around the corner to the doctor's office on S. Salina St. when I was two years old. I had burned my pinky on cream of wheat. She would walk me to pre-school every morning, too. I could talk to her about anything. We would always find something to laugh about. Antipatico that you had to leave us!!!*
