“ *Alot of people never got to see the real you. In 2005 I bought my first home you helped me move in and during the same time I helped you move into your new place and we talked alot and bonded. And I finally got to see the real you I appreciated that you don't know how much that meant to me. Then you tried to school me on History you know I'm still the champ. I will miss you I'd give anything for more time more conversations like we had. I want people to know how smart you were you were just going through so much and it took it's toll on you. You fought as best you could but now your in a better place with no more worries no more pain. Love you Dad*

“ Uncle Chuck you always had my back and I had and still got yours. I will be there for all of your kids. I will look after them like I knew you would have wanted me. You taught me things that money cant buy like how to be classy and to be family oriented but don't let no one walk all over and to stand up for myself. I love you and will miss you dearly but you tell my Mom,Nana,Uncle Will,Uncle Mose,Reach,Zania and Michael that I said hey.
