“ *Chuck was one of the first ones that I met when I moved back to Saranac Lake last year. He always loved to talk about his friends and family and always enjoyed talking with my greatnephew Ty. Ty for only being 2 and he sees a Loon, he knows who always loved his loons. I also want to say how caring Addie was about with his passing and she is also in my prayers. We will miss you Chuck. “ *I didn't know Mr. Ranieri very long, about 12 years, but what little time I spent with him was always nice. He was always happy, and willing to try anything new or just help me out with something I was doing. He would come to my house to visit, garage sale, or challenge me to a game of bocce ball or horse shoes. I'll miss those games and I'll miss him. God bless the rest of his family. Joel*

“ I will always remember the great love and care my older brother bestowed upon me, especially when we were children. He always watched out for me, protected me and was there when I needed him. We shared many happy experiences growing up and I shall never forget him or or generous and loving manner.
