“ Dear Mark and Samantha, Although we knew you the best of your family, it was so clear at the service how important Sherry was to each of her children, grandchildren and extended family. We offer our sympathy to each of you as you deal with such a tragic loss. There is a quote I'll paraphrase because I've long since forgotten the author, or exact words, but it does describe the pain of loss. "We don't always have a choice how we get to know one another. Sometimes people fall into our lives cleanly as if out of the sky, or as if they were on a direct flight from Heaven to Earth. The same sudden way we lose people, who once seemed they would always be a part of our lives." With our love and sympathy, Carol and Bob Cranston
