“ Barb, I don't know if you remember me or not but I remember Clyde and his wonderful ability to make everyone around him smile if not laugh out loud. It has been many, many years but that is still vivid in my mind. I hope you find peace & comfort in the many memories that you were so blessed to be able to create together.

“ We were so sorry to hear of Clyde's passing. We remember some wonderful times we had with Clyde & Barb at their camp in Clayton, going out to dinner, riding in their boat, fishing and just having fun together. Clyde & Barb will always be in our hearts as they were very special people and it was an honor to have known them. Our sincere sympathy is with the family.

“ I was deeply saddened to read Clyde's obituary this morning and my condolences go out to the entire Ford family and friends of Clyde. We worked together for several years' right up until his retirement. The memories I have are far too many to list here, the good times and laughs were a daily event. Rest in peace my friend until the time comes when we'll all meet again. Your friend and co-worker, John.
