“ *I first met Cornell "Pat" Patsos in 1980 at The Syracuse Pistol Club. He was always willing to mentor the new shooters -- especially when it came to singing the praises of his beloved .45 cal. S&W revolver. As a founding member of the Syracuse Pistol Club and all-around gentleman, we all respected and admired Pat. We will truly miss him and extend our sincere condolences to the family on the occasion of his passing.* Ken Rosenberg, Ph.D. Oswego
