“ *Karen-*

I am so sorry to hear about Dan. As you may recall I worked on his pool crew in the early eighties and have many fond memories working with him. He really cared for the people he worked with. I remember the summer of 1982, he even took the time to load all my stuff in his pickup and drive me back to school in North Carolina.

*My sincerest condolences,
Cal*

“ There are no words that can help heal this awful loss. However I am so sorry and saddened that Uncle Dan passed. Here is to hoping him and my dad can find Uncle Mike and they will take care if each other and watch over us. I am here if you need me, I'm not far.

“ Aunt Karen, Nick and Erica,
I am so sorry for your loss, I'm saddened to see another Buckley brother pass so young and so close together. That seems to multiply the pain which no one should have to endure. My thoughts and prayers are with you at this difficult time.

“ Karen, Nick, and Erica,
I don't have the words to properly express how deeply sorry I am for your loss. Dan will not be forgotten and I pray that you all can find ways to see yourselves, and each other, through. You are in my thoughts and prayers.

“ Karen,

Phil and I met Dan in 1972 when the three of us were tellers at Marine Midland Bank at the University office; he was our "boss", the big-shot head teller. The three of us even lived together. I think it was the followig year that he met you and brought you "home" to meet "the family". As Dan used to say, "We were just kids".

We will have good memories of our vacations in Cape Cod, and the last one on Moose Alley in New Hampshire. I will also remember him for the affection he showed my mother; she loved him and called him "fiam", which means "my son".

We will really miss him and send you all our love.

“ Karen -

I met Dan in 1973, when I started working at Marine Midland Bank, the University Office. I was a "Bookkeeper." I worked there for a few months before getting transfered to the main office. A gang of us used to go to the Orange after work on Friday nights. Dan was a nice guy and we had fun those Friday nights.

A few years later, he put in a pool for my parents in Mattydale. He asked my mother if she had a daughter named Joyce Indick. She told him yes and he asked how I was. He told her we worked together at the bank.

I just wanted to say how sorry I am for your loss. He was so young. You and your family are in my prayers as you go through this difficult time.

Sincerely, Joyce Indick Czerenda
