“ Papa was my number one man from day one. There are way to many memories for me to write on this website, but I swear I could write a book. Therefore, I will tell about how much he has always meant to me. Having both of my grandfathers pass before I was born, Papa filled my heart more than anyone could have. The love that Papa and Gloria shared, is something that I look forward to in my future. All the memories from the "Funny Farm" on Bolivar rd. will never be forgotten. To all who read this, that have known my Papa, I want you to know that all of you have been truly blessed. I will have love in my heart for Papa forever~Papa's PeanutKimberly Hepp
