“ I'm very sorry for your loss of Dan and Red. Dan was a good friend through high school and beyond who always had a smile on his face and was always fun to be around. I have a lot of great memories from those days.

“ Cindy, Linda, Joe and Fran,

I remember Dan playing drums in the high school band, wearing the biggest smile. He always seemed to be having a great time with it. I'm not surprised that he got into music later in life. He knew how to make school seem like fun, when it was very hard. I would like to send my condolences to all of you. You lost not one, but two family members over the holidays, which has to be very hard. I know you'll miss them very much. They will always be smiling down on you, now. They're with the angels.

“ *Cindy:*

I was Dan's Social Studies teacher in 7th and 8th grades and yours in 10th. I was saddened to read of Danny's death. I remember him as a great young man who made both classes easier to teach. He was always friendly, courteous, and was well-liked by all. I did not know your dad, but he obviously did a fine job in raising the Grahams I did know. Please accept my condolences in this very difficult time.
