Sweetest Sunrise Bouquet - December 28, 2016 at 12:00 AM

“ Fond memories of marina days...
Tubing with the kids; your special place on the river to tie up; dragging weeds with the "tin can".
Those were idyllic times and we are glad to have had the opportunity to share them with you and the family. Hoping Dave and Buster are once again united, pain free and at peace.
Paul and I have an out of town family commitment and will be unable to make the services, please know our hearts ache for you and Dave is in our thoughts and prayers.

“ I am so grateful to god for giving me the best big brother anyone could ask for. You always believed in me and I hope I made you proud. Thank you for always being there for me no matter where I was in this crazy world. Thank you for raising the best niece and nephews I could ever ask for. Thank you for making great memories with me as kids on the farm, lazy days on the river, hanging on my front porch, or sitting by a bomb fire in your back yard. I cherish those memories and will carry them in my heart until we meet again. You fought so hard but still managed to protect us by making us laugh when all we wanted to do was cry. Thank you for being the best big brother a sister could ever ask for. I miss you Butchy.

Love your baby sister.

“ *Dad-This hurts... To have the strongest person I ever knew be gone from our lives for ever, it hurts. I have no words, it's so surreal that you are no longer here to make jokes, to hear your laugh or see your smile when you were happy or proud of us. I really, really pray that you truly knew you were loved and by so so many! You always fought for the underdogs, even until you last breath you fought for yourself an underdog himself. I've never known or seen another being be so strong, you really were a rare breed! I love you, Dad!!!*
