“ just learned of Dave’s passing. Dave was a neighbor on ours for over 20 years. He was also a member of the Valley Men’s Club where I had the most interaction with him. We worked together many years doing setup security. Margaret and Dave attended the street block party where they were a history book of the street as Margaret grew up in the house they both lived in. I will miss him. They were both good neighbors and friends. I’m happy there together again.
