“ On behalf of my Aunt Debbie, Uncle Allen, Cousins, & memory of my grandfather & father Dennis...My grandmother played such a large role in my life & everyone's life. She truly spoke her mind, never not the truth & wanted to always give...that is the way she showed us love. We never wanted to see her suffer with her troubling illness, but we know that God prepared a way for her several years ago. She will surely be missed by all of us....I told my gram a week ago that my life wouldn't be the same without her, especially since the death of my parents. She reminded me so much of my mom, I will always love & remember my gram's teachings. Love your, grand-daughter Tara xxxxxx
