“ To the surviving Blasier family: My name is Eddie Utz and I live in Glendale, Ca. My deepest condolences. Me and your husband/father were best of friends when we were 17-21 or so. He and I did just about everything together. I loved him like my own brother, which is exactly what he was a true friend. during our friendship we did many things and shared many awesome experiences. Should any of you want to know a little about your dad/husband when he was young let me know. It is all good things. He was always a stand your ground kind of guy and I pray for his being in heaven and you his family as well. I always wanted to contact him and now that I made this effort I find out that it is too late. Know that I loved him and have nothing but fond memories of him. God bless you all. My mobile # is eight one eight three nine zero 1627 should any of you wish to talk to me. I would like to know more about what happened if it is not improper at this time or anytime. Thanks and again my deepest condolences to you all, he was one of my closest friends back in the day!

“ Our family had a camp on Otisco lake 3 properties over from Dee. Our kids were little then in the '90's. We both had boats but Dee had the "faster one" according to our kids and he always asked if they wanted rides. He'd wake Pete up at the crack of dawn yelling "get up neighbor" to go fishing or just hang out on the weekends. We lost touch with him over the years , but we have great memories of him, and are so sad to hear of his passing. Our condolences to his family.
