“ *Hi Sandy- I am sorry to hear about your Mom. I especially remember our trips to Florida and your Mom treating us as adults and friends more than kids. I remember that she always spoke the truth from the heart and I liked that. Those trips with you and your family to Maine and Florida are great memories for me and I still tell people about some of the fun and funny experiences we had. Love and Peace to you and your family.*

“ Ed, our neighbor, our friend One would think this would be easy but it has taken two days to begin. Because we know you both and Sadie also, NOTHING we can say that has not already been said, our hearts are heavy, our sadness is deep, our sympathy well intended. When you need to talk, you have two sets of ears to call on. A person once told me, the Lord will never put on you more than you can handle. Be so happy, He gave her to you for the time He did. Our prayers are with you my friend. John and Karen Stewart Country Creek
