“ I was a very lucky person to have a great grandmother and for her to be able to see and spend time with her great-great granddaughter. She may not be able to physically see her great-great grandson to be in a few weeks.But,I know she will be watching over all of us! Love you!

“ I knew Dorothy and Ray when they lived on Robinson St.,Syracuse in their upstairs apartment. I was the little girl next door. She used to admire our Rose Garden and they were always laughing and smiling. I later visited her on occasion when she had her apartment in the valley after Ray passed away. She was always a lovely lady. My own Mom passed away almost 8 years ago. I am happy to see that Dorothy had such a long and happy life. God Bless!

We had many laughs over the past yars and that is how I will always remember her!! Dorothy, may your Yankees always win! God Bless you! Sincerely, Karen Gossner*
