I am so very sorry for your loss. I just found out today. I feel very lucky to have known and worked with Eileen. We had so many laughs together , and she would unselfishly help anyone. “ *To the Getz family,
Mrs Getz was an amazing person. She took me in her home but more importantly her heart. Mrs. Getz made me feel as if I was one of her own. I cannot remember a time where I wasn't able to go to the fridge and have pasta salad and iced tea. I am so grateful for the love the Getz family gave to me. It was not just the hospitality, but more importantly, the comfort, understanding, patience, and love. I always felt welcome and like I was part of the family. She was a like a mother to me for so many years. God will make Mrs. Getz an Angel in heaven, because she was one here on earth. Here doors were always open. I am so thankful for all the Getz family has done for me over the years, but especially Mrs. Getz for the unconditional love she provided. I felt like I was one of her own. My deepest condolences to all. My thoughts and prayers are with Mr. Getz, Tanya , Chris and the rest of the family now and forever. Thank you Mrs Getz, you will be greatly missed.*

Sincerely

Love,

Chris

“ To The Brown & Getz Families, I've known Eileen and her family from our school days on the West Side. Many years had passed, until our families were brought together with the marriage of her niece and my son. I'm so glad I had gotten to see you and talk with you again after all these years. May you rest in peace my friend

My thoughts and Prayers are with everyone at this said time

My deepest sympathy to Eileen's family. Eileen was a good friend from our high school days at BVHS. Though we did not re-connect, I would think of her, Rebecca and Elizabeth often though the years. Rest in the arms of the Lord, Eileen.
