“ John and Theresa,I was so sorry to hear about your mom's passing. My thoughts and prayers are with you both. I know what a long and hard journey this has been for you. “ My Aunt Elena was my God mother. I have so many warm and loving memories of my special visits to her home as I was growing up. My most cherished times were when my Aunt Elena welcomed my mother, little sister Penny and I into her home right after my father had passed away. I was eleven and we had her warm, cozy home to go and spend the Christmas Holidays. Those were such special times when my family and I were in such need. My Aunt Elena took our pain away and made my mother, little sister Penny and I glow through her love and the comfort of her home. May you rest in peace in your eternal garden of roses in heaven. Your God daughter, Laura.

“ My Aunt Elaine (as I never called her Elena) gave me many happy and fulfilling memories. I will always cherish the time spent with her during my childhood. Aunt Elaine loved unconditionally, was warm, genuine, always could make you laugh, thoughtful, giving, and showed me funny traditions that I have passed on to my own children. I am grateful to have these memories in my heart. Your niece, Penny

“ John and Theresa, Just want you to know that my thoughts and prayers are with you at this time of sorrow. I will always remember taking care of your mom and remember how she would have this twinkle in her eye and at times smile. I miss her alot and am sorry to hear of your loss. I also remember you both telling her to watch out for me, even though I know you didn't mean it. I just want you to know that even though I am now in North Carolina, you are both still thought about at this time of loss.

“ I always admired the wonderful job she did raising her kids and adoring her grandkids. I could always count on her to help me with whatever stain was on any fabric and have her successfully remove it! My sympathy and prayers to all of her family. Vicky

“ *My memories of Aunt Elena are the best. She was a wonderful person and Aunt. I spoke to her at least once a week before she went into Menorah Park. I will miss our talks and her laughter. At times, she knew me better than I knew myself. I will always remember her. My you rest in peace always my dear Aunt.*

“ *Theresa and John, I just want you to know that my thoughts are with you and that I know how much you miss your mother. She was a special lady, and I have some fond memories of her and of her rose garden. (In fact, I never look at a Japanese beetle without thinking about her roses!) I miss you both and wish I could deliver this message in person. Take comfort in knowing that she finally lies in peace. Diane*
