“ *To The Cowmeadow Families ~~ Bob and Betty were great friends throughout the years with my parents Bill and Jean Hammond. I have fond memories of gatherings where our parents were together having great fun. I also remember some Christmas Eve's when they would stop by. I remember stopping by your house on Midland Avenue many times with my mother, visiting. Know that you are in my thoughts these days and I send my deepest condolence on Betty's passing.*

“ *Joanne and family - may peace be with all of you at this time. Our lives have connected several times, first in the hospital when you and I were born. Many visits between families over the years. We celebrated our 1st birthday together. Then again meeting when my friend Marion Cook bought some of your paintings as I did also. My mom and dad have been gone for quite awhile, but they still remain with our family in thoughts and memories as yours will also. Peggy Biggs Moncada*

“ Betty and I met and worked together at Syracuse University Film Rental Library. I lost contact in the past few years. She was always kind to me. My sympathy goes out to her family in this time of sorrow. Rest in Peace Betty.
