“ Hi Mom, Well, it's been almost 3 months and I miss you terrible. Things have been hard here. Ryan was in the hospital, David had surgery, I had a couple of friends who lost their husbands and I ended up in the hospital myself. I wish you where here so I could talk with you!! You were always there for me when I just needed someone to listen. I miss talking on the phone everyday. Just hearing your laugh always made me feel good. I know you are in a wonderful place and you are a beautiful butterfly watching over us and I thank you for that. I know you are always with us. Did you get a change to talk with Grandma? and tell her how much I love her! I miss you both so much. You are always in my heart and my soul! God bless you! I will talk with you soon. I love you-Teena
