“ *For many years Elsie was my neighbor and my friend. I can remember many the night that she would call and ask me to come over to fix her Cable or DVR so she would not miss one of her numerous Crime shows, Judge shows etc that she was always recording, nor most importantly an SU Game and heaven forbid that anyone tell her the score BEFORE she had a chance to watch the game she had recorded first. Elsie was a die hard SU Fan for sure. Nor will I forget Brie and the many times Elsie would walk first unaided and then with a cane up and down the street with Brie insisting they stop and visit with whomever happened to be out in their yards at the time. You are at peace now and I chose to believe and envision you walking Brie up and down the pathways of heaven stopping to visit with anyone you encounter and always still keeping a watchful eye on the SU Basketball team. Rest in Peace Elsie, for you truly were one of the good people in this world.*
