“ I remember Ercil and you Barbara from our first meeting, and through our many contacts thereafter, always with admiration and appreciation. You both were so gracious and worked with Pace to provide the best care and wellbeing for Ercil. Even on days when Ercil wasn't feeling her best, she was always polite and concerned about others and not being a problem for anyone. Please know how much I cared about your Mom and do for you, and will have many fond memories to carry with me. Let us hear from you when you are ready. Fondly, IILIANA
