“ My sincere condolences to the Haumann Family. I too worked with Gene at the SPD. I remember as a young rookie coming upon a dump truck which had come off of E. Brighton, slamming into a Centro Bus. Although ready to go home. Gene stayed with me for a whole 8 hours triangulating the whole scene. What a cop, man and friend he became over my years on the job! My life was much richer knowing and working with him. I will offer up Holy Communion Sunday for the repose of his soul.
