“ I met Fela in my teens. She was friends with my mom and dad. From the moment I met her, she was very welcoming, friendly and always had something cooking in the stove. She was an awesome cook and had funny stories. She made me laugh when she told her kids " What's the matter con you" . I had good memories of her specially when we used to go fishing. God bless you Fela. 🙏🥹 and thank you for all the great time!
