“ I am the Hospice volunteer who visited, played games, as much as we were able. I so enjoyed meeting and getting to know Florence, just wish I could have had a bit more time with her. She was such a lovely person - thoughtful to the end and maintained her sense of humor. She thought so much of her nieces and nephews; you were the children she couldn't have. My thoughts are with you and also Bernadette and Trisa, who cared for her so long and so well.
