“ I'm so sorry to hear of Floyd's passing - It's been many years since I've seen Floyd and the family but I often think of him and the wonderful kindness he showed me and our family on Tully Lake. Floyd loved boating and always had a great ski boat. He was a great skier himself. As a young kid I would be mowing a lawn in the neighborhood and look up to see him skiing on the lake - I would run home, grab my slalom ski and directly go over to Floyd's dock. When finished skiing he would come and pick me up and with a big smile say "would you like a ride?"
I can't tell you how many times this happened, but it was many more than just a few.
I only wish i was able to thank him now - it remains a wonderful memory of a great guys
I'm sorry I won't be able to attend the services - I'm up in Canada on the St. Lawrence River - with my own boats and still skiing with my grandkids now.
God be with you all.
