“ *I was sad to hear of Franks passing. Memories started to come back. I would like to share some of them. Frank had a wonderful smile, soft spoken, and a good family man. He was always glad to see you, and made you feel at home. And when it was time to go back to Texas, Frank would walk you to the car or to your flight gate wanting to know when you would be coming back. You could see his eyes water as he said ""Wish you could stay longer."" I'm glad I can say I knew him. I'm glad I can say he was my brother in law. Thank you Frank for the memories. God Bless All The Haynes Family.*

“ Frank I have great memories of our childhood. Playing ball at Burnet & Midler, king of the hill, hide and seek, putting pennys on the track behind Nicotras, going to the palace theater on saturdays. the time we went to the state fair and you came home with a major case of the hives, shagging fly balls for your brother skip. We haven't seen each other in 50 years but we have our memories. God bless you Frank-----Sully
