“ *Dear Maureen and Family, I had the pleasure of knowing Dinty from working at Community General Hospital when he worked there. What a nice caring person who went above and beyond his call of duties as a person and as a co worker. After leaving the hospital i was fortunate enough to be able to meet with he and Maureen socially for a few dinners out and i am grateful for those time spent together. May you all know that you are in my thoughts and prayers at this difficult time. I will miss you dearly Dinty Moore!*

“ *My sincere thanks to everyone for the kind words toward my father. He and I had a very long period of silence between us but rekindled our relationship several years ago. We enjoyed talking Red Sox Baseball and routing them to two World Series Championships, what a thrill that was. My best wishes to all, Gods Speed!!*

“ Many thoughts come to mind after hearing about Uncle Dinty. He was my Godfather, I remember shaking hands with him, and he would call me the little Indian, because I would not flinch until he squeezed really hard. The story about him pouring out the brand new Pepsi Colas that Mom bought, because it should have been a Coke. Golfing, smoking a pipe, and the big cars. Until we meet again, happy trails.

“ Dear Maureen, In all the years I knew Dinty, he had a hug and that wonderful light-up-a-room smile each time he greeted me. He could discuss any subject with wit and intelligence. He was a true gentleman in every sense of the word. Maureen, you were blessed to share your life with this man, as he was blessed to have you. Your loss is great. My thoughts and prayers are with you. Love, Eva

“ *Dinty was one of my favorites at Community General. He always took good care of us on the evening shift on the old 3E. I am so sorry for his illnesses that brought him to passing. He was a very special person and together with Maureen made a wonderful couple. I will always remember them both. As I was born on March 13th, I see why we had a bond.*

“ *It's a great picture of Dinty and how I want to remember him!!! If he wasn't giving you a "Hard Time" he was making you laugh..... But what I will always remember, The evenings he'd leave unexpected "things", flowers or what not on the desk in front of Maureen, and just walk away whistling, with a rag over his shoulder.....and a smile.*

“ My condolences to the family. Although Dinty and I haven't seen or talked in a great while, I remember him teaching me how to throw a "spiral" in the back of 270 using the "Steers" back yard a part of the "playing field" and the moments he spent instructing me in the fine art of a golf swing. May Dinty rest in peace, Amen.
