“ Our thoughts and prayers are with the whole family. Bud was a great friend of the family and like a grandpa to our kids. He was a man that would do anything he could to help someone out. He has helped us plenty of time through out the years. He has made us laugh and gave us a lot of great memories. Sneaking up on me all those years just to see how long before I would notice he was there... always gave me a good laugh. He always had jokes to say and stories to tell. We will miss the mac and cheese and the sound of your truck pulling into my parents everyday. We will also miss having coffee with you Bud. Rest in peace. April, Jason, and Nicole our heart goes out to you. We are here if you need anything at all.
