“ Fred was my father-in-law for 34 years. That is a lot of history and I will miss him. He was a dear grandfather to my children. My heart goes out to all my in-laws who are grieving his death. Hugs to each of you.

“ Frederick Plumpton was my grandfather. We called him Gramp. He was a wonderful grandfather! I have many special memories with he and Gram. I will miss him dearly. I remember playing catch, flying kites, picking strawberries, going to Emerson park and going for walks at the "Jew" pond. He would hug you so hard it would start to hurt. He loved his grandkids so much.

“ *Although I didn't know Mr. Plumpton personally, I've heard so many stories about him I feel I almost did know him. His daughter Barbara (a.k.a. ""Bits"") and I have been friends for a long time, having worked for the same company for years. We now travel many miles to horse shows and ""Pa"" and his antics are often a subject of conversation. From what I can gather, he was quite a character and will be missed by all who knew him. My condolences to the entire Plumpton family.*
