“ Gavin

I always figured I would get in touch with you again.

You were a great friend at college.

I decided to try and find you today and I find out I waited too long.

May you be in heaven a half hour before the devil knows your dead.

God bless you and your family.

“ Gavin was a friend and pal in high school. His laugh always came with a smirk. As is sometimes the case, I lost track of him after school. This is a sad way to reconnect! You have my sincere sympathy for your loss.

“ Gavin was always a kind and loving person, he was the kind of man that would give you anything that you asked for and not expect anything in return. When he got into one of his goofy moods the only thing you could do is hold on for the ride because you never knew where you were going, it was always an adventure, he will be missed
