“ God saw you getting tired and a cure was not to be so he put his arms around you and whispered, Come to Me. With tearful eyes we watch you and saw you pass away and although we loved you dearly we could not make you stay. A Golden heart stopped beating hard working hands at rest. God broke our hearts to prove us he only takes the best,

“ Gen, I love your laugh. You would find something to laugh about even if it were at yourself. I'm going to miss that laugh. I thank you for showing me how to make the chopped clams, butter, and milk. I'm going to miss stopping in on you in the afternoons with one of the kids and the true Italian you were always trying to push food in front of our faces.. I love you and miss you.
