“ *Dear Family,*
In the time that I knew Georgene here at Ross Towers, she always had a listening ear and a willing heart to help. We used to play spades frequently sometimes as partners, sometimes as opponents. She had a dry sense of humor that was always amusing. I often complimented her lilac hair that she had started wearing, especially because people had sometimes made fun of the different colors from lilac to burgundy that I had put in my own hair for the past several months. She always made me feel accepted and acceptable.
I am glad that she is at peace but know that you and I feel a sense of loss at her passing.
God bless and comfort you and give you peace as well.
Karen
