“ *Don and Rink,*

*I didn't have a chance to meet Georgia in person but talked to her several times when you came to Indy for the races. She was very gracious lady who loved you both a lot. These days will be rough but keep in mind she is looking at the face of Jesus, what a blessing.*

“ *Rink, So sorry to hear of your moms passing. I often think of the old neighborhood and one thing that always stands out was your mom walking every where. I never really got to know her but she always seemed to be a very nice person. You take care.*
