“ *Gerald was my first best friend. When I was feeling down he picked me back up. You could never stay mad at him, he made sure he said sorry and gave you a big gerry hug. Gerald definitely made an impact on everyone's lives. He made you smile even if he wasn't trying to. He was the light of my life and will always have a spot in my heart. He always came to stay the night at my house and would walk through my door and say "hi sissy doo", god I will miss that. Until we meet again ger ger, sissy doo loves you*
