“ I am so saddened to hear of Gerri's passing. She was a wonderful friend to me when we both lived in Fayetteville. I remember our daily walks together, even in the coldest of weather. She expertly sewed my daughter's velvet dress to wear to a high school formal. Gerri was a beautiful person, inside and out. Even though I moved away and haven't seen her in years, I will miss her. My thoughts and prayers are with her family. With love and heartfelt sympathy, Bonnie Graeff Williams

“How sad that Gerri has left us. I first met her years ago when she was a brand new Realtor and we were seated next to each other in a real estate finance class. We had these crazy financial calculators that neither one of us could figure out. We ended up just passing the class by the skin of our teeth. The class was hard...but my new friendship with Gerri was so easy! What a delightful woman! We had many happy hours over lunches and she included us in severAl of her wonderful parties on Wellesley Island. To her family I offer my condolences...to Gerri...I raise one more glass of wine. You will be missed my friend.

“holly,rick,david,pam,becky, joe and joseph, you are all in my thoughts with the noted message. many things happen in families, some, of course happy, some sad. we knew gerri as a young mother and wife. we were so fond of her. then when you all moved up to \"god's country\", we were , again,so happy to have you all in our midst. of course there were changes that caused pain, and you all know of my very close friendship with your dad. as a result we very seldom got to see and spend time with gerri, but she was your mom, and i'll always choose to remember her in that light when we were all much younger and everything seemed so much simpler. ginny and i send our deepest condolences to all of you. mike

“Please accept my deepest sympathy in the loss of your mother. She was a 'fun loving' beautiful person all throughout our high school days. Loved dancing with her at H.S. functions, as she enjoyed hanging with all of her H.S. friends, especially after football and basketball games. I know that she will be sorely missed by her entire family. Again, my deepest sympathy. Jack Massielo
