“ Cindy, We haven't met but I wanted to send you a hug and to tell you that you and Gretchen are in my thoughts. I also lost my precious partner (i.e. wife) seven years ago. Although the pain has dulled greatly, I remain in love seven years later. I find hearts that have appeared all around in nature and I know she has sent them. You can still close your eyes and send her your love. I still feel Jeannie's spirit near me and now I believe that we only change - we are not lost. May you be blessed with peace and only good memories and may you be brushed with angel's wings as you fall asleep. Namaste.

“ I remembered working with Gretchen over at Fowler in Room 231. She was a great lady to work with. I especially remember her with her ""bubbly"" personality. She'll be dearly missed by all, but still be in our hearts.
